

LAUNCCH
**Publications Committee Report,
2011 - 2012**

The Publication committee has continued to maintain the LAUNC-CH Web site with event information for LAUNC-CH events and archives. To create a more dynamic site, the committee incorporated a LAUNC-CH twitter feed into the main page of the site.

This coming year, the publication committee will be re-envisioning the look and feel of the LAUNC-CH Web site at the same time as the library website will be updated.

Respectfully submitted,
Emily King, Chair
